Dear Mr. Weisberg:

This is in reply to your letter of January 18, 1971.

The 1970 review was completed, and the lists we sent you show the material in the Numbered Document File that has been made available for research. Only the documents in the Numbered Document File withheld from research in 1965 were scheduled for review, but enclosed is a copy of one unnumbered document that was made available for research by the CIA because it was believed to be part of a numbered document.

Records of the Warren Commission withheld from research as a result of the review in 1967 will be reviewed in 1972.

Sincerely,

HERBERT E. ANGEL
Acting Archivist
